

# Ceasars Palace, Jerk it out

Wind me up, put me down, start me up and watch me go  
I'll be running circles around you sooner than you know  
A little off center and I'm out of tune  
Just kickin' this can along the avenue, but I'm alright  
'Cause it's easy once you know how it's done  
And you can't stop now it's already begun  
You feel it running through your bones  
Then you jerk it out, when you jerk it out  
Shut up, hush your mouth, can't you hear you talk to loud  
No I can't hear nothing cause I got my head up in the clouds  
I'll bite of anything that I can chew  
I'm chasing cars up and down the avenue but that's okay  
'Cause it's easy once you know how it's done  
And you can't stop now it's already begun  
You feel it running through your bones  
Then you jerk it out, when you jerk it out  
'Cause it's easy once you know how it's done  
And you can't stop now it's already begun  
You feel it running through your bones  
Then you jerk it out, when you jerk it out
