

Ceasars Palace, Oh Yeah?

Oh Yeah?..

I talk too loud and much to much..
and i stay up all night and i sleep all day..
I like to dress up nice in rubber tights.. baby you stand and stair as i walk by..

You don't like what i do.. But thats just fine cu'z its not for you..
You don't wanna hear what i say..I keep on screami'n any way..

I sell my soul.. To steal it back..
Cu'z the roules that you've made are not for me..
And you'll never understand what i'm about..
I don't think twice and i don't look back...

You don't like what i do.. But thats just fine cu'z its not for you..
You don't wanna hear what i say..I keep on screami'n any way..
