

Ceasars Palace, She Don't Mind

I can't wake up in the morning, and I can't sleep at night.
My daddy says I'm spoiled, that I just can't get it right.

But my baby don't care about that.
She don't mind, she don't mind, she don't mind
She don't mind, she don't mind, she don't mind.

I can't get track of the time, I can't get track of my head.
I got my hair in a mess, I've got a hole in my shoe.

But my baby don't care about that.
She don't mind, she don't mind, she don't mind
She don't mind, she don't mind, she don't mind.

Ain't got no money to spend, don't wanna work all the time.
I'm five feet off the ground, I'm never gonna come down.

But my baby don't care about that.
She don't mind, she don't mind, she don't mind
She don't mind, she don't mind, she don't mind.
