

Ceasars Palace, Sort It Out

I wanna smoke crack
cause you're never coming back
I wanna shoot speedballs
put my head against the wall
I wanna sniff glue
cause I can't get over you

Am I gonna sort it out
Am I gonna sort it out

I wanna smoke crack
cause you're never coming back
I wanna shoot speedballs
put my head against the wall
I wanna sniff glue
cause I can't get over you

Am I gonna sort it out
Am I gonna sort it out
Am I gonna sort it out
