

CeCe Peniston, Finally (12" Version)

Meeting Mr. Right, the man of my dreams
The one and only true love or at least it seems
With brown coco skin and curly black hair
It's just the way he looks at me, that gentle lovin' stare
Finally you come along
The way I feel about you it just can't be wrong
If you only knew the way I feel about you
I just can't describe him, oh no, no
Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it
Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it
It seemed so many times he seemed to be the one
But all he ever wanted was to have a little fun
But now you've come along and brightened up my world
In my heart I feel it, I'm that special kind of girl
Finally you come along
The way I feel about you it just can't be wrong
If you only knew the way I feel about you
I just can't describe him, oh no, no
Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it

Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it
Finally, ooh finally, yeah, yeah, oh
Meeting Mr. Right, the man of my dreams
The one and only true love or at least it seems
With brown coco skin and curly black hair
It's just the way he looks at me, that gentle lovin' stare
Finally you come along
The way I feel about you it just can't be wrong
If you only knew the way I feel about you
I just can't describe him, oh no, no
Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it
Finally it has happened to me
Right in front of my face
My feelin's can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it
Finally, oh, yeah, yeah
Finally oh yeah, I'm now, I'm now stronger baby

Sweet pie oh no no
Ooh yeah
