

CeCe Peniston, I'm In The Mood

Miscellaneous

I'm In The Mood

You ain't nuthin' but a sweet thang

And I'll come back for more everyday

Feels so, so good to me (I'm in the mood)

Makes me feel oh so right

I'm in the mood, uh huh boy

I want you forever

I'm in the mood

Let's start tonight out right

You and I bathed in candlelight

Tasting the wine on your lips

Touching your body tenderly with my fingertips

I feel a sweet sensation rushing through my body

It needs no explaining; it's for your lovin'

Just dim the lights and ask me what I want, oh baby

So I can say exactly how I feel

CHORUS:

I'm in the mood, and I hope you feel it too

Take me away, and I'll come back for more everyday

I'm in the mood, and I hope you feel it too

Take me away, and I'll come back for more everyday

Uh huh, boy, I want you forever

I don't know if you know it or not,

but I'm in the mood

Let's not spoil the moment, boy

Unplug the phone so we can be alone

There is something about your kiss

That makes me feel like nothing else exists

Let's get into the moment, we won't regret it

There's so much passion between us, we can't control it

This is a night that we soon won't forget, oh baby

I've never more ready for your love

CHORUS

Feels so, so good to me (I'm in the mood)

Makes me feel oh so right

Feels so, so good to me (I'm in the mood)

Makes me feel oh so right
