The Last To Know

You should know the way I feel

I thought you were all alone

Cause you told me that you missed me on the telephone

Boy I can't explain the way I feel right now

BRIDGE:

You and I have been together for quite some time

I never knew you were wrong all along

All I wanna know is

CHORUS:

Why is it that I'm the last know?

Why is it that I'm the last know?

I have noticed things have changed

Cause the time we shared together's slowly fading away

I didn't think that you would do this

How could you have been so cold?

Thought I'd be the first to know

BRIDGE

CHORUS

Why oh why did I live a lie

Thought I'd be the only one

Boy you found another one

Cause the love shared today

I thought forever would remain

You were with somebody else

You were thinkin' of yourself

BRIDGE

Why oh why oh why did I

Even have to live a lie

How could you have been so cold?

Thought I'd be the first to know

Why oh why oh why did I

Even have to live a lie

How could you have been so cold?

Why am I the last to know?

CHORUS

You came into my life

You seemed like Mr. Right

What you did to me baby,

See, you're no good for me

Guess you really didn't give a damn

I thought you were my man

What you did to me baby,

See, you're no good for me

I could never imagine

You would be with someone else

And I would be alone
