

# CeCe Winans, Because Of U

All because of you  
Oh Lord It's all  
Because of you  
Any good that I've done  
And all that I do  
It's all because of you  
I give all praises to you Lord  
All that I have I owe it to thee  
You cleansed me from sin  
And set my soul free  
To share with others  
What you've done for me  
Because of the power in your name  
I can do all things as you strengthen me  
To be a witness so the world might believe  
And give you glory through eternity
