(chorus)

Holy Spirit come and fill this place  
bring us healing with your warm embrace  
Show Your power make your presence known  
Holy Spirit come fill this place

My heart is longing just to hear from you  
My soul is waiting to know someone who  
Can take us higher help us make it through  
So will you please come and set us free

(chorus)

Breath of God we need a touch from you

Stir our hearts and set our spirit free
