It Wasn't Easy
Don't think for a moment

I never felt the pain

You can't imagine

The hurt and the shame

They put the nails through my hands

Pierced my side, please understand

It wasn't easy, but it was worth it

It wasn't easy, it wasn't easy

It wasn't easy but it was worth it

It wasn't easy, it wasn't easy

It wasn't easy but it was worth it

I didn't have to do it

But I did it anyway

'cause I really love you

So much I took your place

I died for your sins

Yes I'm the one

Don't take it lightly

What I've done

It wasn't easy, but it was worth it

I left my throne

My purpose was the cross

Shed innocent blood

I paid all cost
