

# CeCe Winans, Listen With Your Heart

When you can't find your way through the night  
When you've lost touch and nothing's feeling right  
You can't find that path that leads you home  
You don't know which road, which road to choose  
That's when you've got to  
Listen with your heart, listen to your soul  
Inside you'll find the answer  
To take you to the place you need to go  
Listen with your heart, listen and your heart will let you know  
No matter where you are, the truth is never far  
Just listen and your heart will lead you home  
And when this world has got your mind confused  
Feels like your faith has just run out on you  
You can find that faith inside your soul  
The strength you need lies deep, lies deep in you  
That's why you've got to  
Listen with your heart, listen to your soul  
Inside you'll find the answer  
To take you to the place you need to go  
Listen with your heart, listen and your heart will let you know  
No matter where you are, the truth is never far  
Just listen and your heart will lead you home  
We all lose our way sometimes  
We all lose our faith sometimes  
But if you just believe and just be strong  
Trust your heart  
Your heart won't do you wrong  
Your heart won't do you wrong  
Listen with your heart, listen to your soul  
Inside you'll find the answer  
To take you to the place you need to go  
Listen with your heart, listen and your heart will let you know  
No matter where you are, the truth is never far  
Just listen and your heart will lead you home
