

# CeCe Winans, No Hiding Place

Been given this message to tell ya  
Don't let it be said too late  
Ready or not he is coming  
Decision is yours lost or found  
There's no where to hide

[chorus]

No hiding place down here there's no hiding place  
No hiding place down here there's no hiding place

It's getting late in the evening  
Looks like the sun is almost down  
Where will you run when the world's on fire  
I'm tellin you no there's no escape

There's no where to hide...  
Don't try to hide...  
Hey where you gonna run sinner man  
You may run to the mountains  
and the mountains will say
