

CeCe Winans, The Healing Part

It's hard to know what to say
We've said so much that we regret
What a price that we pay
When we can't forgive much less forget
The more I hear the more I fear
That we might lose each other
Can we skip to the part
Where we come to our senses?
Before we go too far
Love shouldn't be so hard
Can we open our hearts, drop our defenses?
Find where forgiveness starts
Let's stop where we are
And skip to the healing part
I can't recall what it was
That got this whole thing started
When anger grows like it does
And respect can get discarded
Everyday that we wait
Something good is dying
Can we skip to the part
Where we come to our senses?
Before we go too far
Love shouldn't be so hard
Can we open our hearts, drop our defenses
Find where forgiveness starts
Let's stop where we are
And skip to the healing part
