

CeCe Winans, Thirst For You

(Chorus)

We thirst for You
We search for You
In a dry and barren land
W're longing for Your hand
To guide us to
A place where You
Can cleanse us with Your rain...
Baptize us once again
We thirst for You

(Repeat Chorus)

(Bridge)

Oh Lord we are waiting
Let Your river flow
Come flood our hearts again
Quench our thirsty souls

(Repeat Chorus)

(Repeat Bridge)

(Repeat Chorus Out)
