

# Cee-Lo Green, Basshead Jazz

Basshead Jazz  
Basshead, Basshead  
Basshead, Basshead  
Come on across the sky  
Getting high on Basshead Jazz  
Basshead  
Come on across the sky  
Getting high on Basshead Jazz  
Basshead  
Basshead  
The world is spinning so slow  
We ain't got nowhere to go  
Basshead  
Let your mind be free  
Enter a new zone of understanding  
Basshead  
You gotta get high to get down  
Basshead  
Come on across the sky  
Getting high on Basshead Jazz  
Basshead  
Come on across the sky  
Getting high on Basshead Jazz
