

Celebrate The Nun, Will You Be There

I know when I think of you then
Everything I feel
You cannot describe is it wrong is it right but,
I don't want to be alone
I like your innocent smile
way to reconcile
I hope you won't take me for a ride

Will you be there when I ask you for
What can I do
When feeling insecure?
Will you be there when I ask you for
would you follow me anywhere

I don't know you feel the same way
When I think of you
Drives me insane no don't want to see it again
You don't care about what I fear
Don't leave me alone
Live your life on your own
Give me an answer
Tell me now
