Miscellaneous

Macho (a Real, Real One)

Macho (a real, real one)

Celi Bee

(Hello, baby)

Strong, cool, deceiving

he gets into your life

somehow conceited

knowing just what he wants

(Chorus)

He's got the macho in his heart (3x)

He's a macho!

A real, real one - Macho!

(Hey pretty mama)

Lost in his ego

Shining like a superstar

Sensual vibrations

can hit you any time

Repeat chorus...

Macho! - a real , real one (4x)

He's got the macho in his heart (4 x)

(I know I got it, baby)

Macho! - a real, real one (8x)
