

# Celia Cruz, La Dicha Mia

Lucky me, to perform in Havana  
And there, I became a singer of songs  
They led me to the great Mamboleros  
In all of Cuba, the toast of the town  
Singing at the Tropicana  
My fantasies finally came true  
Imagine, going to New York  
Seeing the great ones, in my heart untold  
We saw Arsenio with his singing bandit ???  
And Senor Rodriguez, that magical man  
I took this earthquake to El Barrio  
That hot and ??? from mi gente  
Lucky me, I saw my Tito  
Ay Dios Mio, El Excelente  
Listening to my Machito, dancing, drinking vino  
Machito was for us El ??? Latino  
He made it up in ??????  
It didn't disappoint our ??????  
At the ball, with Tito Puente  
Tito Puente the king of them all  
With Tito Puente, you'd be so glad to dance  
El rey Tito Puente, ... at a glance  
When Tito finished playing  
How could anything feel so low  
Surprise time Tito Rodriguez  
With his conjunto, to top it all  
Bere (?) to Tito, that only one  
Better for dancing ?????? the only one  
El Senor Me Dio La Dicha (Negra) (?)  
Con Tito Puente Y Cantar Con Tito Rodriguez  
(Esa Dicha Me La Dio El Senor)  
Ven A Gozar Con La Dicha, A Gozar Con La Dicha  
(Esa Dicha Me La Dio El Senor)  
(Esa Dicha Me La Dio El Senor)  
Ay Yo Le Canto.....  
(Esa Dicha Me La Dio El Senor)  
Y Al Que Dios Se Lo Dio San Pedro Se Lo Bendiga
