

Celine Dion, A Mother's Prayer

You're my life's one miracle
Everything I've done that's good
And you break my heart with tenderness
And I confess it's true
I never knew a love like this 'til you
You're the reason I was born
Now I finally know for sure
And I'm overwhelmed with happiness
So blessed to hold you close
The one that I love most
Though the future has so much for you in store
Who could ever love you more
The nearest thing to heaven
You're my angel from above
Only God creates such perfect love
When you smile AT me I cry
And to save your life I'd die
With a romance that is pure in heart
You are my dearest part
Whatever it requires
I live for your desires
Forget my own, your needs will come before
Who could ever love you more
There is nothing you could ever do
To make me stop loving you
And every breath I take
Is always for your sake
You sleep inside my dreams
And know for sure
Who could ever love you more
