Celine Dion  
Miscellaneous  
Alone Once Again.  
Quis volar  
Y conoc la soledad  
Jugu al amor sin entregar  
Sin esperar

I wanted to fly  
And i knew the loneliness  
I played to love without showing myself  
Without hope  
Salgo a buscar  
Alguna huella, una seal  
Hacer mi sueo realidad  
Poder amar

I'm looking for  
A trace, a mark  
To make my dream come true  
To be able to love  
Sola otra vez  
No s vivir  
Sola otra vez  
Sin amor

Alone once again  
I don't know how to live  
Alone once again  
Without love  
Quiero saber  
Como es que siente una mujer  
Mi coraz&#oacute;n no aguanta ms  
La soledad

I want to know  
How being a woman feels  
My heart can't hold no more  
The loneliness  
Sola otra vez  
No s vivir  
Sola otra vez  
Sin amor

Alone once again  
I don't know how to live  
Alone once again  
Without love  
Sola otra vez  
Estoy a  
Sola otra vez  
Sin amor

Alone once again  
I'm here  
Alone once again  
Without love  
Quis volar  
Y conoc la soledad  
Jugu al amor sin entregar  
Sin esperar

I wanted to fly  
And i knew the loneliness

I played to love without showing myself  
Without hope  
Sola otra vez  
No s vivir  
Sola otra vez  
Sin amor

Alone once again  
I don't know how to live  
Alone once again  
Without love  
Sola otra vez  
No s vivir

Alone once again  
I don't know how to live  
Sin amor  
Ya no quiero estar tan sola otra vez sin amor  
Otra vez, sin amor...  
Sin amor  
Sola otra vez  
No s vivir  
Sin amor  
Sola

Without love  
I don't want to be as alone again without love  
Once more, without love...  
Without love  
Alone once again  
I don't know how to live  
Without love  
Alone
