

# Celine Dion, Baby Close Your Eyes

Sun is creeping down behind the hill  
Everything is calm, everything is still  
So baby close your eyes and rest your weary mind  
Let me hold you close, I'll sing you this lullaby  
Let your worries go, you fall asleep  
Think of nothing more, memories will keep  
Your dreams will turn to gold and you will wake and find  
That you hold a smile all day from this lullaby  
Maybe somewhere in the silence  
You may wake and you're all alone  
Just call and I'll be there  
Even when I'm gone, each day will end  
So I'll say good night, till we meet again  
Now baby close your eyes and rest your weary mind  
I'll let you know the joy you bring  
Every time you hear me sing you this lullaby
