

Celine Dion, Calling You

Celine Dion

Calling You

A desert road from vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little caf just around the bend

I am calling you
Can't you hear me
I am calling you

A hot dry wind blows right thru me
The baby's crying and can't sleep
But we both know a change is coming
Coming close sweet release

I am calling you
I know you hear me
I am calling you oh
