

Celine Dion, Dreamin' Of You

Lyin' in my bed, thoughts in my head
Visions of you but I can't get through the night
So pick up the phone, I know you're home
You're playin' with my heart and you know that it just ain't right
It's just a game of love, love, love
And even though it's hard baby
I can never give you up
You're the one I'm dreamin' of
I can't live without your love, tonight
And it's you that I adore
You're the one that I live for, inside of you
I'm dreamin' of you
So I get in the car but I didn't get far
'Cause the radio played, every song that I sang with you
Yesterday's gone and it may be true
But you know that I'll never get over you
It's just a game of love, love, love
And even though it hurts me baby
I can never give you up
'Cause you're the one I'm dreamin' of
I can't live without your love, tonight
And it's you that I adore
You're the one that I live for, inside of you
I'm dreamin' of you
You, you gave me love
Love gave us hope and strength to carry on
And you, you gave me faith
When I was fallin' down, you would pick me up, my love
You're the one I'm dreamin' of
I can't live without your love, tonight
And it's you that I adore
You're the one that I live for, inside
But baby, baby, baby, baby, baby
You're the one I'm dreamin' of
I can't live without your love, tonight
And it's you that I adore
You're the one that I live for, inside
Baby, I'm dreamin' of you
