

Celine Dion, Holy Night

Celine Dion
Celine Dion Chante Nol
Holy Night
nuit de paix! sainte nuit!
Dans le ciel l'astre luit
Dans les champs, tout repose en paix
Mais soudain dans l'air pur et frais
Le brillant choeur des anges
Aux bergers apparat

Oh night of peace! holy night!
In the sky the moon glows
In the fields, everything rests in peace
But suddenly in the pure and fresh air
The brilliant chorus of angels
Appears to shepherd
nuit d'espoir! sainte nuit!
L'esprance a relui
Le sauveur de la terre est
C'est nous que dieu l'a do
Clbrons ses louanges
Gloire au verbe inca

Oh night of hope! holy night!
The hope has shinned
The savior of the earth was born
It's to us that god had given him
Let's celebrate his praises
Glory to the word has made flesh
nuit de paix! sainte nuit!
Dans le ciel l'astre luit
Dans les champs, tout repose en paix
Mais soudain dans l'air pur et frais
Le brillant choeur des anges
Aux bergers apparat

Oh night of peace! holy night!
In the sky the moon glows
In the fields, everything rests in peace
But suddenly in the pure and fresh air
The brilliant chorus of angels
Appears to shepherd
