I Hate You Then I Love You (duet with Luciano Pavo)

I'd like to run away from you

But if I were to leave you I would die

I'd like to break the chains you put around me

And yet I'll never try

No matter what you do you drive me crazy

I'd rather be alone

But then I know my life would be so empty

As soon as you were gone

Impossible to live with you

But I could never live without you

For whatever you do

For whatever you do

I never, never, never

Want to be in love with anyone but you

You make me sad

You make me strong

You make me mad

You make me long for you

You make me long for you

You make me live

You make me die

You make me laugh

You make me cry for you

You make me cry for you

I hate you

Then I love you

Then I love you

Then I hate you

Then I love you more

For whatever you do

I never, never, never

Want to be in love with anyone but you

You treat me wrong

You treat me right

You let me be

You make me fight with you

I could never live without you

You make me high

You bring me down

You set me free

You hold me bound to you

I hate you

Then I love you

Then I love you

Then I hate you

Then I love you more

I love you more

For whatever you do

For whatever you do

I never, never, never

Want to be in love with anyone but you

I never, never, never

I never, never, never
I never, never, never
Want to be in love with anyone but you
But you
