

Celine Dion, I Love You Goodbye

Wish I could be the one, the one who could give you love
The kind of love you really need
Wish I could say to you that I'll always stay with you
But baby, that's not me
You need someone
Willing to give their heart and soul to you
Promise you forever
Baby, that's something I can't do
Oh, I could say that I'll be all you need
But that would be a lie
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you, goodbye
I hope someday you can find some way to understand
I'm only doing this for you
I don't really wanna go but deep in my heart I know
This is the kindest thing to do
You'll find someone
Will be the one that I could never be
Who'll give you something better
Than the love you'll find with me
Oh, I could say that I'll be all you need
But that would be a lie
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you, goodbye
Leaving someone
When you love someone
Is the hardest thing to do
When you love someone as much as I love you
Oh, I don't wanna leave you
Baby, it tears me up inside
But I'll never be the one you're needing
I love you, goodbye
Baby, it's never gonna work out
I love you, goodbye
