

# Celine Dion, I'm Your Angel (Duet With R. Kelly)

No mountains too high for you to climb  
All you have to do, is have some climbing faith, oh yeah  
No river's too wide, for you to make it across  
All you have to do, is believe it when you pray  
And then you will see, the morning will come  
And everyday will be bright as the sun  
All of your fears, cast them on me  
I just want you to see  
I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I'll hear your voices when you call me  
I am your angel  
And when all hope is gone, I'm here  
No matter how far you are, I'm near  
It makes no difference who you are  
I am your angel, I'm your angel  
I saw your teardrops and I heard you cry  
All you need is time, seek me and you shall find  
You have everything and you're still lonely  
It don't have to be this way, let me show you a better day  
And then you will see, the morning will come  
And all of your days will be bright as the sun  
So all of your fears, just cast them on me  
How can I make you see  
I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I'll hear your voices when you call me  
I am your angel  
And when all hope is gone, I'm here  
No matter how far you are, I'm near  
It makes no difference who you are  
I am your angel, I'm your angel  
[Incomprehensible]  
And when it's time to face the storm  
I'll be right by your side  
Grace will keep up safe and warm  
And I know we will survive  
And when it seems as if your end is drawing near  
Don't you dare give up the fight  
Just put your trust beyond the skies  
I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I'll hear your voices when you call me  
I am your angel  
And when all hope is gone, I'm here  
No matter how far you are, I'm near  
It makes no difference who you are  
I am your angel  
I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I'll hear your voices when you call me  
I am your angel  
And when all hope is gone, I'm here  
No matter how far you are, I'm near  
It makes no difference who you are  
I am your angel  
I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I'll hear your voices when you call me  
I'm your angel
