Celine Dion, I Want You To Need Me

I want to be the face you see when you close your eyes

I want to be the touch you need every single night

I want to be your fantasy

And be your reality

And everything between

I want you to need me

Like the air you breathe

I want you to feel me

In everything

I want you to see me

In your every dream

The way that I taste you, feel you, breathe you, need you

I want you to need me

Like I need you

I want to be the eyes that look deep into your soul

I want to be the world to you

I just want it all

I want to be your deepest kiss

The answer to your every wish

And all you ever need

I want you to need me

Like the air you breathe

I want you to feel me

In everything

I want you to see me

In your every dream

The way that I taste you, feel you, breathe you, need you

I want you to need me

(Need me)

'Cause I need you

More than you could know

And I need you

To never never let me go

And I need, to be deep inside your heart

I just want to be everywhere you are

I want to be the face you see when you close your eyes

(Baby, huh)

I want to be the touch you need every single night

I want to be your fantasy

And be your reality

And everything between

I want you to need me

Like the air you breathe

I want you to feel me

In everything

I want you to see me

In your every dream

'Cause baby I taste you, feel you, breathe you, need you

I want you to need me

(Yea)

Like the air you breathe

I want you to feel me

In your everything

I want you to see me

In your every dream

'Cause baby I taste you, feel you, breathe you, need you

I want you to need me

(Need me)

Like I need you

(Need me)

Like I need you

(Need me)

Like I need you
