

Celine Dion, Little Bit Of Love

Celine Dion
Celine Dion
Little Bit Of Love
Look at you baby
The picture of a broken man
Your confidence is shaken
The world caved in on you again
But i know what to do to ease the pain
And bring you back to life again, , ,

(chorus i)
A little bit of love
Can go a long way sometimes
A little bit of love
Is really all you need
When life gets tough you need
A little bit of love sometimes

Oh baby hold me
Let all that anger disappear
A little smile is showing
Something's catching fire here
And when the morning comes you'll be good as new
You'll take this night that we've shared with you, , ,

(chorus ii)
A little bit of love
Can go a long way sometimes
A little bit of love
Is really all you need
When life gets tough you need
A little bit of love sometimes
A little bit of love
Can go a long way sometimes
A little bit of love
Is stronger than anything
Words ain't enough, , , you need, , ,
A little bit of love sometimes

(bridge) you've done it before, you'll do it again
Get up off the floor, and jump right back in
Baby, i still believe in you
And we'll see this through
'cause true love is on our side

(breakdown)
A little bit, a little bit, , ,

(solo)

(chorus iii)
A little bit of love
Can go a long way sometimes
A little bit of love
Is really all you need
When life gets tough you need
A little bit of love sometimes
A little bit of love
Can go a long way sometimes
A little bit of love
Is really all you need
When life gets tough you need
A little bit of love sometimes
A little bit of love
