

Celine Dion, Mama

Mama, you gave life to me
Turned a baby into a lady
And mama, all you had to offer
Was a promise of a lifetime of love
Now I know
There is no other
Love like a mothers
Love for her child
And I know
A love so complete someday must leave
Must say goodbye
Oh
Goodbyes the saddest word Ill ever hear
Goodbyes the last time I will hold you near
Someday youll say that word and I will cry
Itll break my heart to hear you say goodbye
Mama, you gave love to me
Turned a young one, into a woman
And mama, all I ever needed
Was a guarantee of you lovin me
Cus I know
There is no other
Love like a mothers
Love for her child
And it hurts oh
But something so strong
Somedayll be gone
Must say goodbye
Ooh-ah
Goodbyes the saddest word Ill ever hear
Goodbyes the last time I will hold you near
Someday youll say that word and I will cry
Itll break my heart to hear you say goodbye
But the love you give will always live
Youll always be there every time I fall
You are to me the greatest love of all
You take my weakness and you make me strong
And I will always love you till forever comes
And when you need me
Ill be there for you always
Ill be there your whole life through
Ill be there this Ill promise you
Mama
Ill be your leader through the darkest night
Ill be the wings that guide your broken flight
Ill be your shelter through the raging storm
And I will love you till forever comes
Goodbyes the saddest word Ill ever hear
Goodbyes the last time I will hold you near
Someday you say that word and I will cry
Itll break my heart to hear you say goodbye
Till we meet again, until then, goodbye
