

# Celine Dion, Natural Woman

Lookin' out on the  
morning rain  
I used to feel uninspired  
And when I knew I had to face  
another day  
Oh it made me feel so tired  
Before the day I met you  
Life was so unkind  
But you're the key to my peace of mind  
'Cause you make me feel  
You make me feel  
You make me feel  
Like a natural woman  
When my soul was in the lost and found  
You came along to claim it  
And didn't know just what was wrong  
with me  
Oh till your kiss helped me name it  
Now I'm no longer doubtful  
Of what I'm livin' for  
'Cause if you make me happy  
I don't need to do more  
'Cause you make me feel  
You make me feel  
You make me feel  
Like a natural woman  
Oh baby what you've done to me  
You make me feel so good inside  
And I, I just wanna be close to you  
Because you make me feel so alive  
Oh what you've done to me  
Close to you because you make me feel  
so alive  
You make me feel  
You make me feel  
You make me feel  
Like a natural woman  
Woman  
You make me feel  
You make me feel  
You make me feel  
Like a natural woman  
You make me feel  
Oh baby what you do to me  
Can make me feel so good inside  
I just wanna be, I just wanna be  
Oh what you've done
