

Celine Dion, Nothing Broken But My Heart

I've been over you for some time now, baby
I don't miss your kiss like before now anymore now
If you asked me how I'm doin', I'm fine
All I needed was a little time
So if you still think that I still need you, baby
I really don't know why
Oh, baby, since you left me
You might think that my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing broken but my heart
You won't find no tears in my eyes now, baby
If you think I'm sad that you're gone now
Then you're wrong now
If you ask I'll say I'm happy, I'm free
Tell you that's the way I wanna be
And all those nights we shared together, baby
Well, they don't mean a thing
Oh, baby, since you left me
You might think that my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing broken but my heart
So if you still think that I need you, baby
I don't think about you, I'm happy now without you
Oh, baby, since you left me
You might think that my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing broken but my heart
Nothing broken, nothing broken but my heart
Yeah, baby, you might think my worlds been torn apart
Nothing's broken, nothing broken but my heart
Baby, since you left me
You might think that my world's been torn apart
But if you see me, baby, you'll see
That nothing's broken, nothing broken but my heart
Nothing broken but my heart
Baby, nothing's broken but my heart
Baby, oh, yeah, nothing's broken but my heart
You know I love you, you know
Nothing broken but my heart
Nothing broken but my heart
Nothing broken but my heart
