

# Celine Dion, She

Celine Dion  
Celine Dion L'olympia  
She  
Elle  
Avait dix-huit ans  
Les cheveux au vent  
La ligne  
D'un cygne  
Qui dpliait ses, , ,

She  
Was eighteen years old  
Hair in the wind  
The line  
Of a swan  
Who's unfolding her (wings)  
Elle  
Avait les accents  
D'un oiseau chantant  
Et tous les musiciens  
Se retournaient sur, , ,

She  
Had the lines  
Of a singing bird  
And all musicians  
Were turning to (her)  
Elle  
Avait tout l'clat  
De ce sicle  
O la valse  
Etait reine  
O l'amour tait roi  
Dans un ciel  
De dentelles  
Irr, , ,

She  
Had all the shinning  
Of that century  
Where the waltz  
Was queen  
Where love was king  
In a sky  
Of lace  
Unreal  
Elle  
Promenait ses mains  
Sur un clavecin  
Et chopin la trouvait  
B, , , elle  
N'avait qu' sourire  
Pour le faire crire  
coutez  
Les prludes  
Qu'il composait pour elle

She  
Was walking her hands  
On a harpsichord

And chopin was considering her  
Beautiful  
Only had to smile  
To make him write  
Listen to  
The preludes  
He was composing for her  
Elle  
J'ai tant rv d'elle  
Parl avec elle  
Que souvent  
Je me prends  
Pour elle

She  
I so much dreamed about her  
Spoke with her  
That often  
I take myself  
For her  
Elle  
Est mon idal  
La plus grande toile  
Et je veux  
Ressembler  
son portrait fidle  
Il n'y a qu'elle  
Et c'est elle  
Mon mod, , ,

She  
Is my ideal  
The biggest star  
And i want  
To look like  
Her accurate portrait  
The was only her  
And it's her  
My model  
Elle  
Avait dix-huit ans  
Les cheveux au vent  
La magie  
Des folies  
Que l'on faisait pour elle  
C'tait la plus belle  
Je voudrais tre, , , elle!

She  
Was eighteen years old  
Hair in the wind  
The magic  
Of the irrational things  
They were doing for her  
She was the most beautiful  
I would like to be , , , her
