

Celine Dion, Testimony

As I look back over my life
I think things all over
I can truly say that I've been blessed
I got a testimony
I look back over my life
I think things all over
I can truly say that I've been blessed
I got a testimony
A time I couldn't find the way
The Lord, He got me out
Runnin out free and I've got a victory
And I got a testimony
There was a time I couldn't find a way
The Lord he wraught me out
Yeah, runnin out free and I've got a victory
And I got a testimony
Lord has been good to me
Lord has been good to me
The Lord has been good to me
I want to tell you, I want to tell you
Testimony
God has been good to me
The Lord has been, yes He has, He has
Jesus -- God is good
Jesus -- God is merciful
Jesus -- the Lord is wonderful
Jesus -- the Lord'll return
He was the man
Who walked the wall
Jesus
Jesus
Jesus, God Almighty
Jesus, Oh Lord
Jesus
He said ??????
?????????
I am the beginnin'
I am the endin'
Jesus, Jesus, Jesus
Oh Lordy
He's God Almighty
I love ya -- Call the Man's name!
I don't know about you
Oh Yeah
I love to call the name
How about you?
Jesus, Jesus, Jesus
Oh Lordy
Jesus, yeah, He made the maimed to walk
He made the dumb to talk
God is good, yes He is
He is merciful, Oh Lord
Respect Him higher, higher
Higher, Higher
Respect Him up, higher
Jesus, Jesus
Half and only God
Jesus
He's a way maker
When you're boggin down, He'll be there
To carry you, yes He will
All around
If you want The Lord to help you
You got to say "I've been blessed";

I got a testimony, I got a testimony
I don't mind tellin it wherever I go.
I got a testimony, I got a testimony
I don't mind telling it wherever I go.
I will stand up in the White House
And tell the world that I got a testimony
And that God has been good to me, yeah, yes He has.
He brought me from a mighty long way
Oh yes He did
Lord have mercy
I like to call the name, yeah
Jesus, Jesus, Jesus, Jesus
Some call Him ?????
Some call Him a leanin' tower
Some call Him a citadel
But I call Him "Jesus" call over the world
If there's anybody here that knows what I'm talking about
Then show your hands
Jesus, Glory Halleluiah man
Jesus, Lord, Jesus
Jesus, Jesus, Jesus
Come on ya'll, help me now
Come on ya'll, help me now
If you'd be so bold
As to come on out here
Come on out
Jesus, Jesus
Help me call the Man
Jesus, Jesus
Help me call it out
Jesus, Jesus
Jesus, Jesus
Jesus, Jesus
Jesus, Jesus
Lift Him higher
Higher, higher, higher
Oh yes, higher
Come on, will you help me lift him
Help me lift him higher
Help me lift Him higher
Good God Almighty
Jesus, Jesus
I love the name
Jesus, Jesus
Do you know Jesus, do you know the Lord
Do you know Jesus, do you know the Lord
Jesus
Good God Almighty
Show me now ya'll
We like it....
Jesus, Jesus, Jesus
I can truly say that I've been blessed
I can truly say that I've been blessed
I can truly say that I've been blessed
I've got a testimony
