

# Celine Dion, The Colour Of My Love

I'll paint my mood in shades of blue  
Paint my soul to be with you  
I'll sketch your lips in shaded tones  
Draw your mouth to my own  
I'll draw your arms around my waist  
Then all doubt I shall erase  
I'll paint the rain that softly lands on your wind-blown hair  
I'll trace a hand to wipe out your tears  
A look to calm your fears  
A silhouette of dark and light  
While we hold each other oh so tight  
I'll paint a sun to warm your heart  
Swearing that we'll never part  
That's the colour of my love  
I'll paint the truth  
Show how I feel  
Try to make you completely real  
I'll use a brush so light and fine  
To draw you close and make you mine  
I'll paint the truth  
Show how I feel  
Try to make you completely real  
I'll use a brush so light and fine  
To draw you close and make you mine  
I'll paint a sun to warm your heart  
Swearing that we'll never part  
That's the colour of my love  
I'll draw the years all passing by  
So much to learn so much to try  
And with this ring our lives will start  
Swearing that we'll never part  
I offer what you cannot buy  
Devoted love until we die
