

Celine Dion, These Are Special Times

Celine Dion

These Are Special Times

These Are Special Times

In these moments, moments of our lives

All the world is ours

And this world is so right

You and i sharing this time together

Sharing the same dream

As the time goes by we will find these are the special times

Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times

These times together

And through it all, one thing will always be true

The special times are the times i share with you with each moment, moment passing by

We'll make memories that will last all our lives

As you and i travel through time together

Living this sweet dream

And every day we can say these are the special times

Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times

These times together

And through it all, one thing will always be true

The special times are the times i share with you these tender moments

When heaven is so close

These are the moments that i know these are the special times

Times we'll remember

These are the precious times

The tender times we'll hold in our hearts forever

These are the sweetest times

These times together

And through it all, one thing will always be true

The special times are the times i share

Are the times we share, are the times i share... with you

Special times i share with you
