

Celine Dion, These Are The Special Times

Oh, oh, wo
Heyyy
In these moments, moments of our lives
All the world is ours
And this world is so right
You and I sharing this time together
Sharing the same dream
As time goes by we will find
These are the special times
Times we'll remember
These are the precious times, the tender times
We'll hold in our hearts forever
These are the sweetest times
These times together
And through it all, one thing will always be true
The special times are the times I share with you
Yeah, yeah, yeah, yeah
With each moment, moment passing by
We'll make memories that will last all our lives
As you and I travel through time together
Living this sweet dream
And every day, we can say
These are the special times
(These are the special times)
Times we'll remember
(Times we'll remember)
These are the precious times, the tender times
(The tender tender times)
We'll hold in our hearts forever
These are the sweetest times
(Hold in our hearts forever)
These times together
(Ohhh)
And through it all, one thing will always be true
(One thing will always be true, yeah, yeah, yeah)
The special times are the times I share with you
(I do)
These tender moments
When heaven is so close
(Yeah)
These are the moments that I know
These are the special times
(These are the special times)
Times we'll remember
These are the precious times, the tender times
(The precious times)
(The tender times)
We'll hold in our hearts forever
These are the sweetest times
These times together
(Forever)
And through it all, one thing will always be true
The special times are the times I share
(The special times)
Are the times we share
(The special times)
Are the times I share
Special times I share with you
