

# Celine Dion, When The Wrong One Loves You R

i don't care, what they think  
how they feel, or what they say  
you're everything, i ever knew  
i always wanted, baby  
i've been warned, so many times  
they tell me i've ignored the signs

but nobody knows you like i do  
the only one for me is you

getting tierd, of hearing that  
you're dangerous, but they wont stop  
until i leave, they wont belive  
that being with you wont break my heart  
so worried 'bout, the road ahead  
they can't see that, your my best friend

there never gonna take me from you  
there's nothing they can do

how can i walk away  
when the feeling's so strong  
i know you're where i belong  
they say i let my heart  
make up my mind  
that's why i'll never say goodbye

i can't stop, can't fight, can't resist it  
when the wrong one loves you right  
(oh-oh-oh-oh-yeah)  
can't run-can't hide-can't say no  
when the wrong one loves you right  
(oh-oh-oh-oh)  
when the wrong one loves you right
