Celtic Thunder, I Want to Know What Love Is

Gonna take a little time A little time to think things over I better read between the lines In case I need it when Im older Now this mountain I must climb Feels like a world upon my shoulders Through the clouds I see love shine It keeps me warm as life grows colder In my life theres been heartache and pain I dont know if I can face it again Cant stop now, lve travelled so far To change this lonely life I wanna know what love is And I want you to show me I wanna feel what love is And I know you can show me Im gonna take a little time Im gonna take a little time A little time to look around me Cos Ive got nowhere left to hide It looks like love has finally found me In my life theres been heartache and pain I dont know if I can face it again I cant stop now, lve traveled so far To change this lonely life I wanna know what love is And I want you to show me I wanna feel what love is And I know you can show me I wanna know what love is I know you can show me I want to feel what love is And I know you can show me Wanna feel what love is
