Celtic Thunder, My Boy

You're sleeping son, I know But, really, this can't wait I wanted to explain Before it gets too late For your mother and me Love has finally died This is no happy home But God knows how I've tried Because you're all I have, my boy You are my life, my pride, my joy And if I stay, I stay because of you, my boy I know, it's hard to understand Why did we ever start? We're more like strangers now Each acting out a part I have laughed, I have cried I have lost every game Ive taken all I can take But I'll stay just the same Because you're all I have, my boy You are my life, my pride, my joy And if I stay, I stay because of you, my boy Sleep on, you haven't heard a word Perhaps it's just as well Why spoil your little dreams Why put you through that hell Life is no fairytale As one day you will know But now you're just a child I'll stay her and watch you grow Because you're all I have, my boy You are my life, my pride, my joy And if I stay, I stay because of you, my boy Because you're all I have, my boy You are my life, my pride, my joy And if I stay, I stay because of you, my boy My Boy
