## Celtic Woman, Let It Snow

Oh, the weather outside is frightful But the fire is so delightful And since we've no place to go Let it snow, let it snow, let it snow It doesn't show signs of stopping And I've bought some corn for popping The lights are turned way down low Let it snow, let it snow, let it snow When we finally kiss good night How I'll hate going out in the storm But if you really hold me tight All the way home I'll be warm The fire is slowly dying And, my dear, we're still good-bye-ing But as long as you love me so Let it snow, let it snow, let it snow Let it snow, let it snow When we finally say good night How I'll hate going out in the storm But if you really hold me tight All the way home I'll be warm The fire is slowly dying And, my dear, we're still good-bye-ing But as long as you love me so Let it snow, let it snow, let it snow Let it snow, let it snow, let it snow Let it snow
