

# Cemetery 1213, Linking Shadows

call murder one  
what's done is done  
god's fallen son  
the nowhere man  
i know you can  
dead masterplan  
draw one thru one  
what's done is done  
now it's all gone  
last call to kill  
i know you will  
the sweetest thrill

put some passion to it  
put that bullet in me now  
put some feeling to it  
pull that trigger

- pull it now -
