

# Cephalectomy, Dragons Upon The Mountains Of

(The Call of Cthulu)

Hounds of war.. Cthulu invokes hordes of malice  
Call to arms.. Herald of mass legions of upheaval  
Ia mass Ssaratu! Beyond the swamps of wandering dead  
Cthulu, master of the armies of the ancient ones beckons  
The gates are no longer barred, locked and bolted! Keepers of the gates hath been slain upon scar

Iak Kingu, Iak Azag  
Iak Azabua, Iak Huwawa  
Ishniggarab, Iak Xastur  
Insurgence against Marduk  
Dragons of the deep!

Forget not the fate of Absu. First victim of elder discord who hath been lain in empty space.  
Once more Hubur arose, she who fashions all things  
Compiles matchless weapons to the arsenal of ancient ones..

(The Foundation of Death)

Barra Anu!  
Bar the gates  
Renew its bars  
Man the tower  
Open the gate  
The dead rise  
Break its bars  
Call to war!

Summoned are the demons of Hubur  
Laying waste upon the temple of Marduk  
The viper, the dragon, the winged demon  
Bearing weapons of no fear, Kingu shepherds  
You come to war Kingu!?  
With baneful creation of Hubur  
Then you shall fall upon blade  
Speak lest you be silenced...
