

# Cessyl Orchestra, Into The Trance

I don't know who, I don't know who you are  
But I think I want to be your friend  
You saw my hands were tired  
Come on over, unstrung me  
You didn't give  
The false comings  
Like never a lover, brother to brother

I have fallen into the trance  
For your love, awake me to forever, oh babe  
I have fallen into the trance  
I need your love, awake me to forever

I don't know where you're from  
But I think I want to take you home  
My path was crossed with a fear  
You said it walking down a safe old road  
You are my friend  
Not far from tears  
Stop lover to lover, brother to brother

I have fallen into the trance  
For your love, awake me to forever, oh babe  
I have fallen into the trance  
I need your warmth, awake me to forever

You are my best friend  
The only one I ever had  
Oh, you're my lover to lover, brother to brother

I have fallen into the trance  
For your love, awake me to forever, oh babe  
I have fallen into the trance  
I need your love, awake me to forever  
I have fallen into the trance  
For your love, awake me to forever, oh babe  
I have fallen into the trance  
I need your warmth, awake me to forever

I don't know who you are  
But I think I want to be your friend
