

# Cessyl Orchestra, The Roof Is Broke

Look at my little world I've created  
Made up of broken pieces of me and you  
Should I be happy? I've been a fool, it ain't you

The roof is broke, the rain is falling in  
And landing on this candle light lit for you  
Should I be happy? I've been a fool, it ain't you  
I don't know how to say this any other way, don't go

Look at me here for days, I'm just laying  
My weakened heart is shattered, it's time to bloom  
Should I be happy? I've been a fool, it ain't you

The roof is broke, the rain is falling in  
And landing on this candle light lit for you  
Should I be happy? I've been a fool, it ain't you  
I don't know how to say this any other way, but don't go

I don't know how to say this any other way, but don't go

Look at my little world I've created  
Made up of broken pieces of me and you  
Should I be happy? I've been a fool, it ain't you  
It ain't you
