Ohweoh!

Tonight is the night for us
It's one for all and all for one
We're having a crazy buzz
When we are playing in the sun

Ohweoh!
we're doing it together
Ohweoh
Do this dance forever!
Ohweoh!
So step into the party
Ohweoh!

Gimme one two three
Come on baby dance with me
Gimme four five six
This is how it's gonna be
Gimme one two three
Everybody's feeling free
Gimme four five six
Every boy, every girl

Ohweoh!
Shake your body to the groove
Ohweoh!
Make your body body move

Everyone's having fun
DJ's are playing on the beach
The evening has just begun
People are dancing in the street

Ohweoh!
We're doing it together
Ohweoh
Do this dance forever!
Ohweoh!
So step into the party
Ohweoh! Yeah

Ohweoh!
Pumpin' stompin' jumpin'
Ohweoh!
Come on and get down on it
Ohweoh!
Get the party started
Ohweoh!
