CHORUS:

D Am D Am

When the sun comes up in the mornin',

D Am

in the mornin', up in the mornin'.

D Am

When the sun comes up in the mornin'

D

blues around my head.

[Repeat chorus]

Ooh-ooh, ooh-ooh

Got the blues and I'm feelin' so lonely,

oh so lonely, feelin's so lonely.

Got the blues and I'm feelin' so lonely,

since my love has gone.

[Chorus]

Known a few, but she's my one and only,

one and only, my one and only.

I've known a few, but she's my one and only,

better leave this town.

[Chorus]

Here the mornin' dove is a-callin',

is a-callin', dove is a-callin'.

Here the mornin' dove is a-callin',

mournin' for his love.

[Chorus]

Blues around my head.

All around my head.
