## Chad Mitchell Trio, Leave Me If You Want To

Way down in Columbus, Georgia I want to go back in Tennessee Way down in Columbus Stockade My friends all turned their backs on me

Well you can go and leave me if you want to Never let it cross your mind If in your heart you love another You can leave me little darling, I don't mind

Last night as I lay sleeping I dreamed I held you in my arms Whan I awoke I was mistaken I was still behind them prison bars

Many a night with you I've rambled Many an hour I've spent with you For I'd want your heart forever Now you've gone and left me blue
