

# Chad Mitchell Trio, Nobody Knows You When You're Down And Out

Once I lived the life of a millionaire  
Spent all my money, like I didn't care  
Threatin' my friends out for a mighty good time  
Buying that fancy liquor, champagne and wine  
Then I began to fall so low  
I didn't have no money and no place to go  
If I ever get my hands on a dollar again  
I'm gonna hang onto it 'til that eagle grins, cause

Nobody knows you when you're down and out  
In your pocket, you haven't got a penny  
As your friends, well, ain't too many  
If I ever get back on my feet again  
Everybody wants to be my long-lost friend  
It's mighty strange, without a doubt  
Nobody knows you when you're down and out

And then I began to fall so low  
I didn't have no money and no place to go  
If I ever get my hands on a dollar again  
I'm gonna hang onto it 'til that eagle grins, cause

Nobody knows you when you're down and out  
In your pocket, you haven't got a penny  
As your friends, well, there ain't too many  
If I ever get back on my feet again  
Everybody wants to be my long-lost friend  
It's mighty strange, without a doubt  
Nobody knows you when you're down and out
