Chad Mitchell Trio, The First Time Ever I Saw Yo

The first time ever I saw your face I thought the sun rose in your eyes And the moon and the stars were the gifts you gave To the dark and the empty skies, my love To the dark and the empty skies

The first time ever I kissed your mouth I felt the Earth move in my hand Like the trembling heart of a captive bird That was there at my command, my love That was there at my command

The first time ever I lay with you And felt your heart beat close to mine I thought our joy would fill the Earth And would last 'till the end of time, my love And would last 'till the end of time
